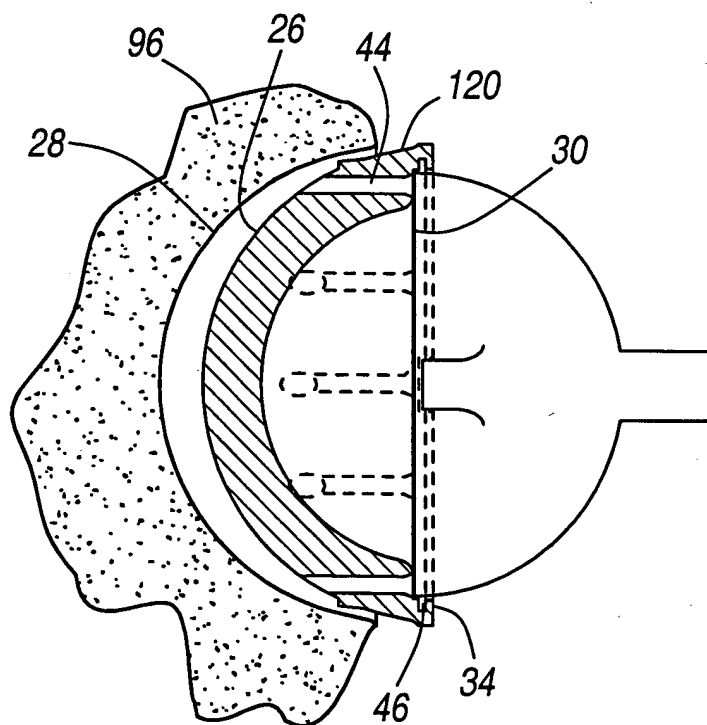

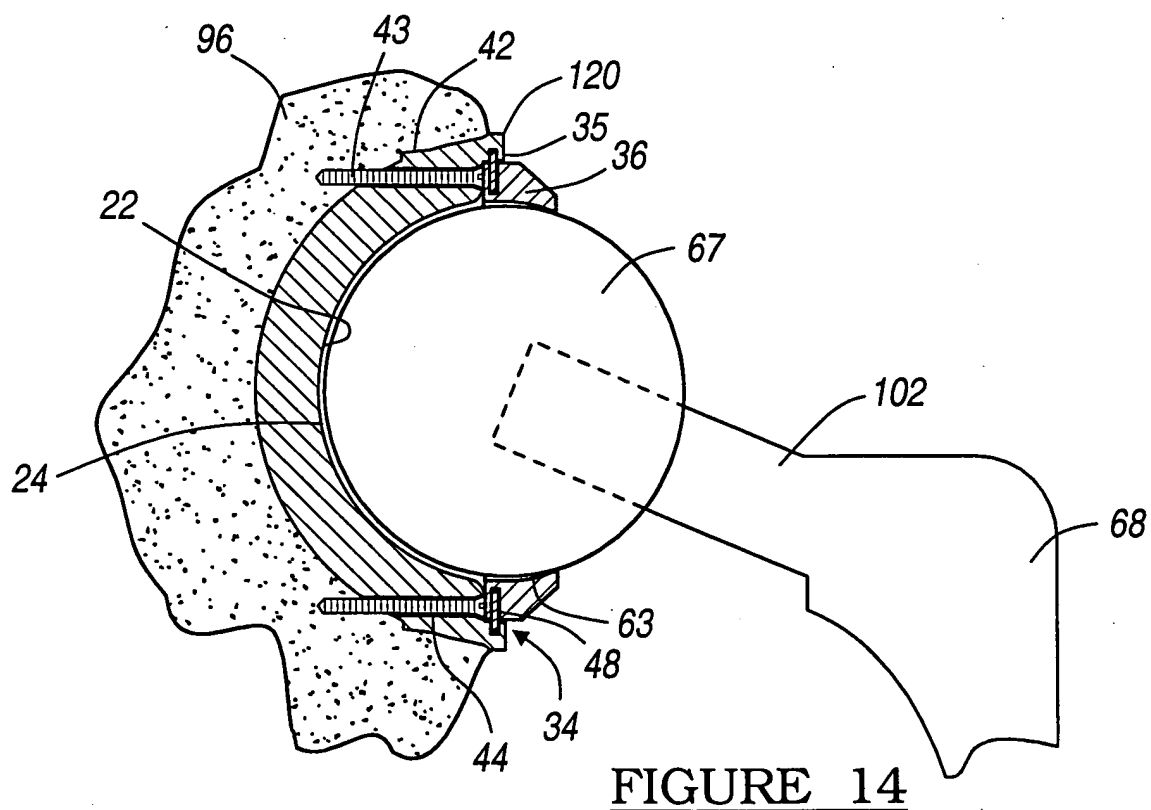

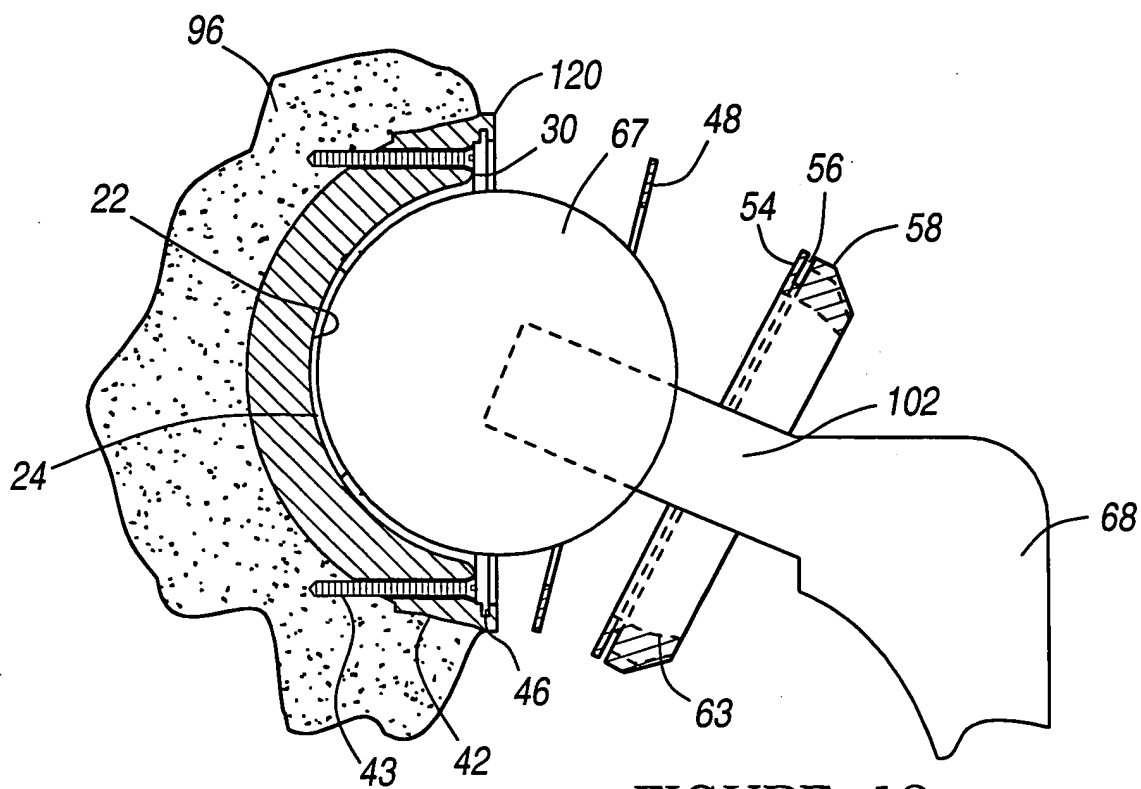

FIGURE 9

FIG. 1 is a schematic diagram of a headgear assembly. It shows a headgear (96) with a circular component (30) mounted on the side. The component (30) has a central opening (22) and is surrounded by a ring (24) with multiple small circular features (46). A dashed line indicates a cross-section or internal structure. Other labels include 50, 40, 43, and 120.
